

Product Information Sheet

CRUSADER

Cleaner/Sanitiser

FS08

Product

- ✓ Presence of a quaternary ammonium compound
- ✓ Superior cleaning action
- ✓ Destroys the source of odours while many other products just mask odours
- ✓ Cuts cleaning inventory as one product does it all
- ✓ Odourless and suitable for use in food preparation areas when rinsed
- ✓ Approved for use in Export Registered Meat Establishments (formally known as AQIS)

High performance disinfectant cleaner for use where an anti-microbial action is required. Has medium alkalinity and is also butyl solvent free. A complete cleaner capable of removing soil, dirt and grime from multiple surfaces including floors, walls and tables (including painted surfaces) located in wet areas, kitchens and garbage or waste disposal areas.
